how can i get involved?

Community involvement in this project is crucial to ensuring a successful plan that meets the needs of your community. **Attend Community Workshop #1**, where City staff and project consultants will capture your thoughts, concerns, and ideas to help design the General Development Plan (GDP) for the future Mini-Park and the Streetscape Master Plan, including recommendations and guidelines for future streetscape improvements. The Community Workshop is free and open to everyone. Lunch will be served.

Community Workshop #1

9:00 a.m. - 2:00 p.m.,
Saturday, June 4, 2011
Sunset Temple Grand Room,
Clare De Lune Coffee Lounge
2906 University Ave.

Additional public meetings and presentations will be scheduled beginning in Fall 2011 and continue through early 2012. **Please stay tuned!**

planning of the north park mini-park and associated streetscape improvements project

The Greater North Park community has a **unique opportunity to create a new urban park and enhanced streetscapes behind the recently renovated North Park Theatre**. The future North Park Mini-Park will serve as a central gathering space for the community, with enhanced connections to the residential area to the south, the future Jefferson Elementary School Joint Use Improvements, and the business district at 30th Street and University Avenue.

Originally conceived by local community members, the 0.5 acre Mini-Park is envisioned as being **reflective of the surrounding area's intensive urban character**, and designed for passive recreational uses. Associated improvements to connecting streets will include recommendations and guidelines on design components. The streets included will be: 29th Street from University Avenue to North Park Way; Granada Avenue for University Avenue to North Park Way; Utah Street from University Avenue to Gunn Street; and North Park Way from 29th Street to Utah Street.
